Grab a partner and come test your knowledge of Austin! Fun

The Water Trotter Urban Challenge is a fun and challenging scavenger hunt over a distance of three miles. Teams of two will solve clues that are spread across downtown Austin and the University of Texas campus. The urban challenge is designed to emphasize the importance of clean water in developing countries.

Sponsorship of this event will help raise resources for EWB - Greater Austin Chapter to construct vital water infrastructure programs in Peru and Guatemala.

Registration gets you a t-shirt, a goody bag, and the chance at winning AWESOME PRIZES from Pinhouse Pizza, Moojo, Verts, Kendra Scott, Uchi and more (see registration page for more info).

Everyone is welcome: students, professionals, families, and beyond!

Thank you to our sponsors:

Silver: Smith & Nephew

Bronze: CDM Smith, Pape Dawson Engineers, Aguirre & Fields, Lockwood Andrews & Newnam Inc., Stantec
